SAFER ROADS

Targeting repeat traffic offenders

FROM 1 SEPTEMBER 2007
A DEMERIT POINTS SCHEME
WILL APPLY IN THE
NORTHERN TERRITORY.

Demerit points only affect those drivers and riders who constantly break road laws, putting you and your family in danger.

Licence holders start with zero points and licences will only be affected if 12 or more points are accumulated within three years.

The system is tougher on young drivers on Learner or Provisional plates who will be affected after 5 points within 12 months.

Drivers who obey road rules and travel safely will not be affected by demerit points.

Contact the Motor Vehicle Registry for more information on the new demerit points scheme.

Telephone the Demerit Points Information Line on 1300 364 924, log on to www.saferroaduse.nt.gov.au or www.mvr.nt.gov.au or visit your local MVR office (or Police Station in remote areas).

A SAFER TERRITORY IS IN OUR HANDS.
